Attack on Pink Party Den

Dawn of conscience in errand's mind takes off the masks of dignitaries

[Abstract]

A young girl ran into the Honcho Police HQ in early morning of the 12th day, weeping and exhausted, asking for help. A few questions on her situation revealed the existence of a large-scale Pink Party Den. Her name is Ko Ren-ko employed by Che Minko as a housemaid. After she began to live in the Che family in March last year, she soon noticed the wily nature of her female boss Che. Che was actually a sex broker using her own house as a Pink Party Den.

She employed numerous girls, such as department store sales girls, nurses and female office clerks, etc. in order to provide sex services for company VIPs using the girl Ko as

an errand. As Ko grew up she began to feel apprehension on the work and finally tried to escape. Captured Ko was hit and kicked but as she felt the living condition unbearable, ran again into the Police HQ seeking for help. The Honcho Police immediately made a raid on the den and arrested Che and all there. The dark side of Seoul will be exposed soon.
