Adoption of concluding observations and other documents

Following the consideration of the States parties' reports during the 17th session, CED will, in a closed meeting, adopt concluding observations that will assist the States parties concerned in the implementation of the Convention. These concluding observations outline positive aspects, principal subjects of concern and the Committee's recommendations on how to address challenges faced by the States parties.

Once the concluding observations have been adopted, the documents will be posted on the CED webpage under the relevant session.

CED will also adopt lists of issues to be transmitted to States parties. Both the lists of issues and the States parties' replies will be posted on the CED webpage under the relevant session.

NHRI reports for CED at its sessions

CED welcomes written information, which should be as specific, reliable and objective as possible, from NHRIs. NHRI reports which follow the same form of presentation as the reports submitted by the State party concerned are especially welcome.

All submissions to CED should be:

1. Submitted in English, French or Spanish. As most CED members use English as their working language, documents submitted in French and Spanish should, to the extent possible, be translated into English. Please note that **the UN Secretariat does not translate documents submitted by NHRIs**.
2. Transmitted to the CED Secretariat in Geneva **before 31 July 2019 with respect to States upon which lists of issues will be adopted. The deadline for information on States parties to be examined by the Committee is 13 September 2019. The deadline for information on States parties' follow-up report to concluding observations is 5 July 2019.** All documents must be submitted in electronic form to ced@ohchr.org stating clearly in the subject of the email the country the submission refer to and the session number. These deadlines allow the country rapporteurs and other members of CED time to read the reports before the relevant session.

OHCHR does not reproduce NHRI documents. CED is a papersmart Committee. Therefore, NHRIs may wish to send an electronic version of their documents at ced@ohchr.org at least two weeks in advance of the session, that is by **13 September 2019**.
