Adoption of Concluding observations, List of Issues and List of issues prior to reporting

Following the consideration of the States parties’ reports during the session, the Committee will, in a closed meeting, adopt concluding observations that will assist the States parties concerned in the implementation of the Covenant. These concluding observations outline positive aspects, principal subjects of concern and the Committee’s recommendations on

how to address challenges faced by the States parties. Once the concluding observations have been adopted, the documents will be posted on the Committee’s web page under the relevant session.

The Committee will also adopt **List of Issues** to be transmitted to States parties. States parties are in turn expected to submit **replies to the list of issues**. Both the list of Issues and replies will be posted on the Committee’s webpage.

For States parties that report under the [Simplified Reporting Procedure \(SRP\)](#), **list of issues prior to reporting** (LOIPR) will be adopted by the Committee before the submission of a report. The State party’s replies will constitute its periodic report.

NGOs written contributions

The Committee welcomes written information, which should be as specific, reliable and objective as possible, from international, regional, national and local organizations. NGO “alternative reports” which follow the same form of presentation as the reports submitted by the Government concerned, are especially welcome. The information/report must identify the submitting NGO, as anonymous information is not accepted, and be drafted in non-abusive language. The information must be relevant to the Committee’s mandate and the examination of the State party’s report. The information should not contain names of victims except if related to public cases or if the consent of the victims or their families is obtained.

All submissions to the Committee should be:

1. Submitted to the Secretariat in English, French or Spanish. As most Committee members use English as their working language, documents submitted in French and Spanish should, to the extent possible, be translated into English. Please note that **the UN Secretariat does not translate documents submitted by NGOs**.

2. Submitted within the deadline to give time to the members of the Committee to read the reports before the session.

- The deadline for information with respect to States upon which **list of issues and list of issues prior to reporting will be adopted is 6 JANUARY 2025**. Submission should be limited to a maximum of 10,000 words.
- The deadline for information on State parties **to be examined by the Committee is 3 FEBRUARY 2025**. Submission should be limited to maximum of 10,000 words.

3. Provided in electronic form in Word or PDF format only.

PLEASE INDICATE **WHETHER OR NOT THE SUBMISSION COULD BE PUBLISHED** ON THE COMMITTEE'S WEBSITE.

Formal and Informal briefings

NGO representatives are welcome to attend public meetings of the Committee as observers and will not be given the opportunity to address the Committee during the constructive dialogues with the State party's delegation. Nevertheless, **NGOs who have provided a written contribution** to the Committee could have the possibility of addressing the Committee in private during the session through one or both of these briefings:

- **Formal briefings – (organized for States parties under review only)** closed meeting in plenary with interpretation in English, French and Spanish. These briefings are set out in the [programme of work](#) and will be conducted in person. *There will be no virtual or hybrid participation option available for the formal briefings.*

To register for the **formal briefing**, kindly inform the Secretariat by email (cherry.balmaceda@un.org) with copy to the Secretariat's generic email (ohchr-ccpr@un.org). You will be requested to provide a copy of your statement ahead of the formal briefing to facilitate the work of the interpreters.

- **Informal briefings** - without interpretation, usually organized outside the official meeting time of the session, with participation of some members of the Committee. These meetings are organized by **CCPR Centre**, an NGO coordinating the participation and collaboration of NGOs with the Committee during the session. The informal briefings are usually offered in hybrid/virtual format.

To register for the **informal briefing**, please contact CCPR Centre (info@ccprcentre.org).

The registration deadline for the formal briefings is **21 FEBRUARY 2025**.
