2. Meeting registration with your INDICO account. • Click on the link of accreditation for the session • Go to Log-in (top right side of the webpage) • Click on “Create a new account” • Fill-out the form •

IMPORTANT: INDICO photo standards : The photo requirements follow the ICAO standards (please see document on page two).

A confirmation message will be displayed on the screen • You will be notified by e-mail once your request has been approved

Meeting Registration with your INDICO account

Once logged in with your credentials, a link will appear to the registration form of the session that you wish to attend. • Click on “Register to this Conference” and fill out the form. Upload a recent photograph. • Click on Register You will be notified by email once the Secretariat has approved your request for accreditation.

Upon approval you will receive a digital badge.

Please present your digital badge, along with your valid passport to the security officers at the Palais Wilson for the identity check. The digital badge does not need to be printed, and presenting it on the mobile phone will be sufficient.

The office hours are 9 am to 6 pm, Monday through Friday.

IMPORTANT Please keep your passport in hand while filling the form. Your personal data must match your details on your passport or ID.

For any technical issues with INDICO, please contact support.accreditation@un.org and not the Secretariat.

All public meetings of the Committee will be available through webcast live on the website: <https://webtv.un.org/meetings-events>. Please note that the Conference Rooms at Palais Wilson, Ground Floor and First Floor, are open to the public, during the session, unless otherwise indicated.

You must upload one (1) **color** photo for a badge request. The photo requirements follow the **ICAO standard** and are summarized below. When you upload a photo, the system runs an **automatic check** and verifies whether your photo is compliant with the ICAO required standard. If there are any **problems with the photo**, the system will return an **error message** describing any issues found, e.g. "The head is excessively rotated.", "The overall image quality is insufficient.", etc. You will be obliged to re-upload (or re-take) a photo.
