REFERENCE:AL/fup/PER/Reminder/2026

29 June 2026

Excellency,

In my capacity as Special Rapporteur for Follow-up to Concluding Observations of the Human Rights Committee, I have the honour to refer to the follow-up to the examination of the sixth periodic report of Peru at the Committee's 137th session, held from 27 February to 24 March 2023.

At the end of that session, the Committee's concluding observations were transmitted to your Permanent Mission. You may recall that, in paragraph 45 of the concluding observations ([CCPR/C/PER/CO/6](#)), the Committee requested the State Party to provide, by 24 March 2026, information on the implementation of recommendations contained in paragraphs 27 (*use of force in the context of demonstrations*), 37 (*right to take part in public affairs and the right to a fair trial*) and 43 (*rights of minorities and Indigenous communities*) of the concluding observations.

The Committee has noted that the information requested has not yet been provided and has decided to send a reminder to the State Party. The Committee would appreciate receiving the above-mentioned information by **24 September 2026**.

The State Party is kindly requested, when submitting its reply to the Committee, not to reiterate information that has already been provided to the Committee but rather to focus on the specific measures taken to implement the recommendations selected for the follow-up procedure since the adoption of the concluding observations.

The reply should not exceed a maximum of 3,500 words and should be sent to the Secretariat of the Human Rights Committee ([ohchr-registry@un.org](mailto:ohchr-registry@un.org)) in Microsoft Word electronic version.

The Committee looks forward to pursuing its constructive dialogue with the State Party on the implementation of the Covenant.

Please accept, Excellency, the assurances of my highest consideration.

Yvonne Donders
