\* Technical problems with data collection led to incorrect or unreliable figures for the "Other type of decision..." column.

Those figures have not been included in the statistics. This means that the other decisions/other types of conclusion in question have not been included in the "Total" column either.

\*\* Pursuant to a decree issued by the Federal Ministry of Justice and Consumer Protection on 29 June 2021, the Federal Public Prosecutor General only reports proceedings relating to offences committed in Germany in which the FPPG has taken over the case, and proceedings relating to the formation of a domestic terrorist organisation.
