

Applications registered annually

	2021	2022	2023	2024
First applications	1 383	4 803	4 502	812
Subsequent applications	1 162	997	870	198
Temporary protection	0	47302	19 426	2 940
Total	2 545	53 129	24 798	3 950

Applications by unaccompanied minors

	2021	2022	2023	2024
Asylum applications	136	251	348	76
Temporary protection	0	54*	188	36
Total	136	305	536**	112

* Separate processing grounds for unaccompanied minors did not exist in the beginning for temporary protection applications. During 2022, around 750 unaccompanied minors applied for temporary protection.

** The true number of unaccompanied minors was over 600 since some applications were initially erroneously registered as adults.

Pending asylum applications

Pending applications for temporary protection

Total number of pending temporary protection applications	794
--	------------

Submitted asylum and temporary protection applications from the previous six months

Observations and notices

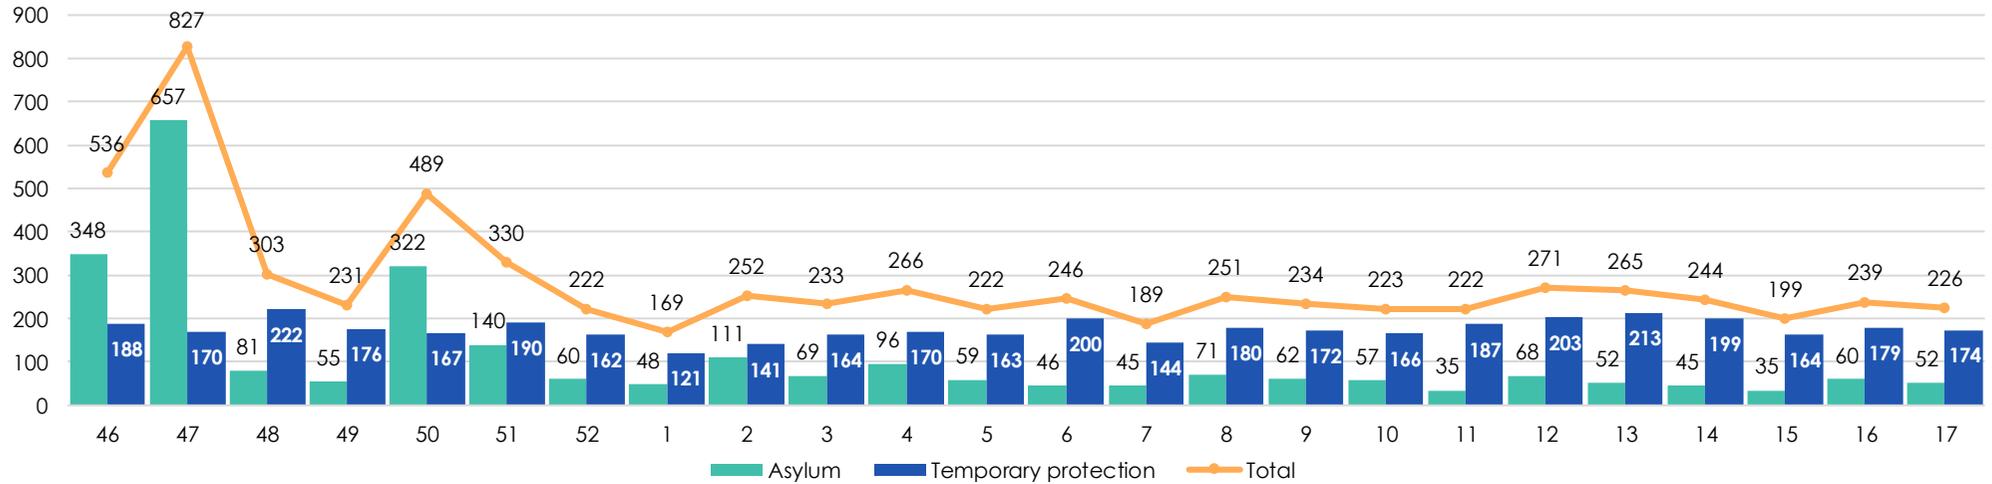

- During week 17, a total of 226 asylum and temporary protection applications were registered. The amount of applications is similar to that of the preceding week.
- During week 17, a total of 174 applications of temporary protection were registered. The amount of applications is on level with the amount of applications registered during the preceding week.
- During week 17, a total of 52 asylum applications were registered. The amount of asylum applications has remained stable, and represents a normal weekly amount.
- During week 17 a total of 4 applications were registered with an unaccompanied minor as the applicant. At the moment, the weekly amount of applications by unaccompanied minors is fluctuating from week to week.
- The current nationalities submitting applications once again represent the nationalities that traditionally submit a majority of applications, and there have been no changes in the last few weeks.

TOP 5 nationalities of 2024

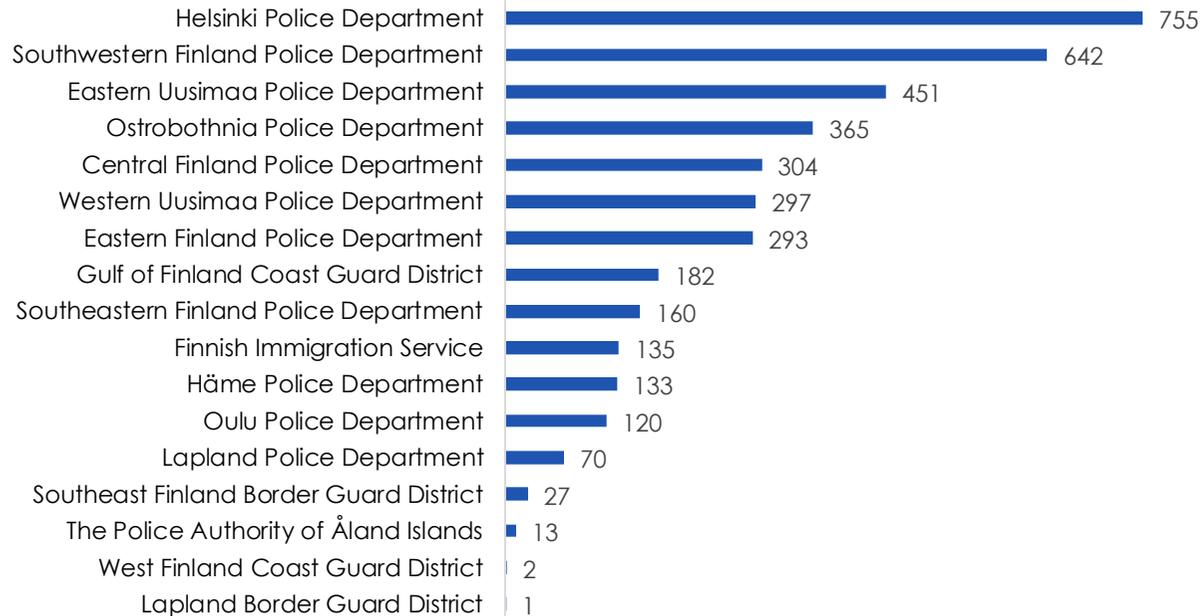

Note that the table lists the amount of applications. The number of applicants is lower as some applicants may register several applications or for example an asylum application and an application for temporary protection.

	Asylum applications	Temporary protection applications	All applications
Somalia	138	Ukraine 2 909	Ukraine 2 910

Temporary protection decisions only include new decisions, not continuations made to existing temporary decision permits.

Appeals of asylum applications

Instance of appeal	Number of appellants
Administrative Court	769
Supreme Administrative Court	405
Total	1 174

Administrative Court decisions in 2024

Supreme Administrative Court decisions in 2024

A = Appeal dismissed or expired
 B = New alignment, change in circumstances or additional new information
 C = A flaw in The Finnish Immigration Service's procedures or in interpretation of the law
 D = A different consideration of the facts
 E = Other decisions

* The numbers differ from those of the Ministry of Justice because these numbers represent the number of people who have appealed, instead of the number of appeals. One appeal can include several people.
