Excellency,

In my capacity as Special Rapporteur for Follow-up to Concluding Observations of the Human Rights Committee, I have the honour to refer to the examination of the fourth periodic report of the United Republic of Tanzania.

At the end of the 96<sup>th</sup> session held in July 2009, the Committee's concluding observations were transmitted to your Permanent Mission. You may recall that, in paragraph 28 of the concluding observations, the Committee requested the State party to provide within one year further information on the specific areas of concern identified in paragraphs 11, 16 and 20 of the concluding observations.

During its 100<sup>th</sup> session held in October 2010, the Committee noted that such information had still not been received. A letter of reminder for the required information was sent to your Permanent Mission on the 16 December 2010. Nonetheless, during the 101<sup>st</sup> session held in March 2011, the Committee noted that the requested information had not been received.

The Committee looks forward to pursuing its constructive dialogue with the authorities of Tanzania on the implementation of the Covenant.
