12 November 2012

Excellency,

In my capacity as Special Rapporteur for Follow-up on Concluding Observations of the Human Rights Committee, I have the honour to refer to the examination of the fifth periodic report of Australia.

Taking into account that the State party has accepted the procedure of list of issue prior to reporting and that the corresponding list of issue was adopted during the 106th session of the Human Rights Committee, the follow-up procedure has come to an end with regard to the fifth periodic report of Australia. Nonetheless, the State party is required to provide the Committee with information on the follow-up questions on which a reply is still pending in the context of its next periodic report (questions included in the LOIPR).

The Committee looks forward to pursuing its constructive dialogue with the authorities of Australia on the implementation of the Covenant.

Please accept, Excellency, the assurances of my highest consideration.

Christine Chanet
