As the seven persons with asterisk are required to get the Swiss entry visa, they plan to submit their biometric data to the Swiss Consulate in Beijing early August 2017. Therefore it would be highly appreciated, if the Secretariat of the Committee on the Elimination of Discrimination against Women could kindly send an attestation letter for visa facilitation to the Swiss Consulate in Beijing, China.

The Permanent Mission of the DPRK avails itself of this opportunity to renew to the Secretariat of the Committee on the Elimination of Discrimination against Women the assurances of its highest consideration.
