Adoption of Concluding observations, List of Issues and List of Issues Prior to Reporting

Following the consideration of the States parties’ reports during the 135th session, the Committee will, in a closed meeting, adopt concluding observations that will assist the States parties concerned in the implementation of the Covenant. These concluding observations outline positive aspects, principal subjects of concern and the Committee’s recommendations on how to address challenges faced by the States parties. Once the concluding observations have been adopted, the documents will be posted on the Committee’s webpage under the relevant session.

The Committee will adopt List of Issues to be transmitted to States parties. States parties are in turn expected to submit replies to the List of Issues. Both the List of Issues and Replies will be posted on the Committee’s webpage.

For States that have opted for the Simplified Reporting Procedure (SRP), List of Issues prior to reporting will be adopted by the Committee before the submission of a report. The States replies are considered its report for the purposes of article 40 of the ICCPR (<http://www.ohchr.org/EN/HRBodies/CCPR/Pages/SimplifiedReportingProcedure.aspx>).

Follow-up report to concluding observations

The Committee considers a report on information received and activities undertaken in the context of follow-up to concluding observations at each session. NHRIs may provide information on follow-up, in particular relating to follow-up reports received by States parties, to the Secretariat, which may be posted on the web, following each session.

NHRI written contributions

The Committee welcomes written information, which should be as specific, reliable and objective as possible, from international, regional, national and local organizations. NHRI reports which follow the same form of presentation as the reports submitted by the Government concerned, are especially welcome.

All submissions to the Committee should be:

1. Submitted to the Committee Secretariat in English, French or Spanish. As most Committee members use English as their working language, documents submitted in French and Spanish should, to the extent possible, be translated into English. Please

note that **the UN Secretariat does not translate documents submitted by NHRIs.**

2. The deadline for information with respect to States upon which **List of Issues will be adopted is 2 MAY 2022.**

3. The deadline for information on State parties **to be examined by the Committee is 30 MAY 2022.**

4. **Submissions should be** limited to a maximum of 10,000 words and **provided** in electronic form ONLY. **Please DO NOT SEND HARDCOPIES.**

These deadlines allow the Country Taskforces and other members of the Committee time to read the reports before the session. For this reason, the reports must be provided on time.

PLEASE NOTE THAT WE CANNOT ACCEPT REPORTS THAT ARRIVE OUTSIDE THE DEADLINE.

OHCHR does not reproduce NHRI documents.
